

# CRETA Electric

Electric is now CRETA.

# Sri Lanka is ready to drive the future.

The all-new Hyundai CRETA Electric is here, perfectly aligned with Sri Lanka's shift toward a greener, more advanced driving experience. Designed for a new era of explorers, it blends power, style, and efficiency - giving you the freedom to move without limits. The road ahead is electric. Step in and experience what's next.

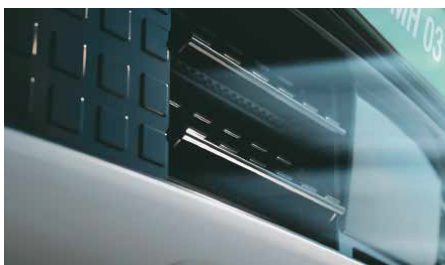

Hyundai CRETA Electric in ocean blue colour

# Power pose on wheels.

One look is never enough when you are looking at the Hyundai CRETA Electric. The pixelated graphic grille, and pixelated graphic front and rear bumper give it a tech-inspired look. CRETA Electric's road presence makes a bold statement that the ultimate Electric SUV has arrived. Attention given to the details is a part of its design philosophy. Like the R17 (D=436.6 mm) aero alloy wheels with Low Rolling Resistance (LRR) tyres, and puddle lamps with H logo projection and welcome function, that give it a distinct personality.

Pixelated graphic front grille

Active air flaps (AAF)###

R17 (D=436.6 mm) Aero alloy wheels with Low Rolling Resistance (LRR) tyres

Charging port with multi-colour surround light and state-of-charge (SOC) indicator

Pixelated graphic rear bumper

**Other features :** Bold & muscular SUV stance | LED headlamps & tail lamps | LED sequential turn indicators

###Functionality of active air flaps is dependent on multiple factors.

# Performance beyond belief.

The stunning Hyundai CRETA Electric is powerful enough to be driven across any landscape. It can easily accelerate from 0 to 100 km/h in just 7.9 seconds and can keep up with your desire to challenge the limits. Three drive modes (Normal, Eco and Sport) with the ADAS-linked regenerative braking make sure you come back for more after you have stepped out.

**51.4 kWh**  
Driving range up  
to 473 km\*  
per full  
charge

Battery pack options: 51.4 kWh and 42 kWh

**Max power**

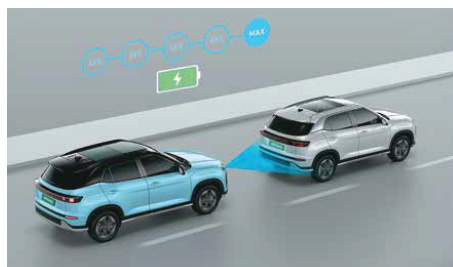

**126 kW (171 ps)**

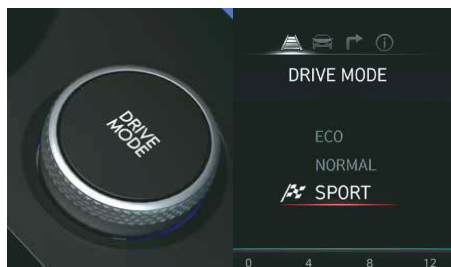

**Acceleration**

Battery heater~~

**Other features :** Cruise control

\*Range as per AIS 040 (Rev.1) (km) ARAI certification under controlled conditions for 51.4 kWh new battery pack. @Basis HML internal testing under controlled conditions for 51.4 kWh new battery pack. ~~For 51.4 kWh battery pack.

# Take charge. Get going.

Hyundai CRETA Electric is meant to overcome everything that limits you. And that includes the charge in your car. With both AC and DC charging options to power your journeys, the car is designed to get you on the road, faster. Because when you are ready to go, your CRETA Electric would be too.

## AC charging

11 kW

Fast AC home  
charging 4 hours~  
(10% to 100%)

Portable  
charging  
cable

## DC charging

Fast charging

58 min (10% to 80%)<sup>@@</sup>

Charging port with multi-colour surround light and state-of-charge (SOC) indicator

<sup>~</sup>Applicable for 42 kWh battery pack. <sup>@@</sup>Applicable for 51.4 kWh and 42 kWh battery packs.

Charging time is dependent upon multiple factors including charger specification, ambient temperature, uninterrupted power supply, etc.

Dual tone granite gray with dark navy interior

# Make time for space.

Step inside Hyundai CRETA Electric and get transported to a world of calm. The dual tone navy and gray interior complements your lifestyle. The dual curvilinear screens 26.03 cm (10.25") (HD infotainment and digital cluster) ensure everything you need is right in front of you. The three-spoke EV unique steering wheel with morse code "H" for Hyundai, the floating console and the trendy horizontal AC vents with soothing ocean blue ambient light masterfully blends technology and style.

Floating console with surround ocean blue ambient light

Dual curvilinear screens - 26.03 cm (10.25") (Infotainment and cluster)

Spacious cabin - generous legroom & kneeroom

Eco-friendly seat upholstery with CRETA Electric branding\*\*\*

Recycled PET bottles

Corn extract

**Other features :** Front armrest with cooled storage | 3-spoke steering wheel

Powered passenger seat walk-in device

# If indulgence had a shape.

Hyundai CRETA Electric's interior exudes opulence. Attention has been given to maximise comfort and convenience. The expansive space ensures there is enough room for your loved ones. And the best part is, you don't have to make the effort to adjust the seat whenever you get behind the wheel. The driver memory seat with welcome retract remembers your preferred driving position and lets you relax while you are driving.

8-way powered driver and passenger seat

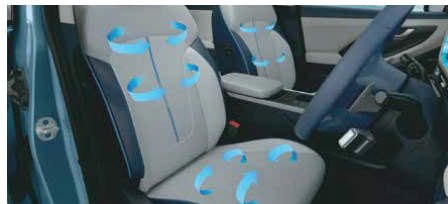

Frunk (22 l)

Powered driver memory seat with welcome retract

Foldable seatback table with IT device holder and retractable cupholder

Front ventilated seats (Driver and Passenger)

**Other features :** Rear window sunshade | Rear seat armrest with cupholders | LED luggage lamp | Easy ingress/egress  
Rear AC vents with Type-C USB (x2) | Dual zone automatic temperature control (DATC) with touch function

Vehicle-to-Load (V2L): Power your appliances inside and outside the car\*\*

\*\*For V2L outside, the gun would be available as an accessory on payable basis.

# Experience evolution.

Hyundai CRETA Electric's technology is very intuitive. Care has been taken to focus on your convenience. The V2L feature is just what you need when you are at your favourite outdoor destination. The next time you can't find your car keys you can use the digital key and unlock your CRETA Electric with your smartphone or smartwatch. Even in-car payment for EV charging can now be done within seconds. And if you feel like you need some fresh air and sunlight, just give the voice command and the voice-enabled smart panoramic sunroof will do the rest.

In-car Payment (Pay from your car)

Shift by wire (SBW Column type)

Vehicle-to-Load (V2L) inside

Voice-enabled smart panoramic sunroof

Hyundai Bluelink (70+ connected car features)

Bose premium sound - 8 Speaker system with front central speaker & sub-woofer

**Other features :** 268 Embedded voice commands | 132 Hindi voice commands | Digital Key | Home-to-Car (H2C) with Amazon Alexa  
16 Over-the-Air updates (OTA) for map | JioSaavn music streaming

# Hyundai SmartSense

## Level 2 ADAS

### 19 Features

Hyundai CRETA Electric is alive with Hyundai SmartSense-Level 2 ADAS. It assists the driver by deploying advanced safety features thereby making the road safe for the passengers and the pedestrians as well. Now you can look forward in a relaxed manner and devote yourself to the most important thing, the pleasure of driving. And let the advanced driver assistance system be your reliable companion that ensures you master every challenge on the road with confidence.

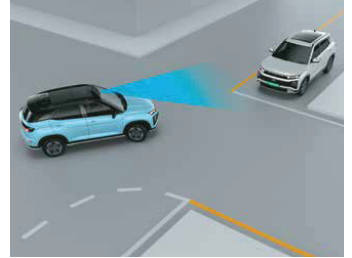

Forward Collision - Avoidance Assist - Car (FCA-Car)  
& Forward Collision Warning (FCW)

Forward Collision - Avoidance Assist -  
Pedestrian (FCA-Ped)

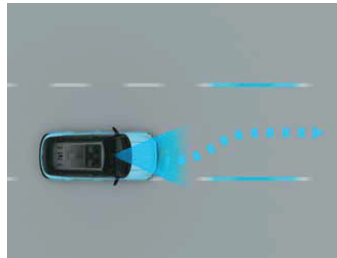

Forward Collision - Avoidance Assist - Cycle (FCA-Cyl)

Forward Collision - Avoidance Assist -  
Junction Turning (FCA-JT)

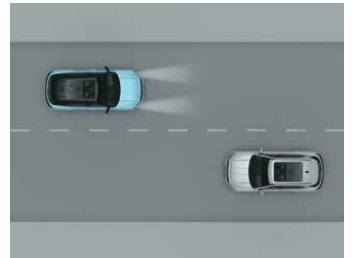

Blind-spot Collision - Avoidance Assist (BCA)  
& Blind-spot Collision Warning (BCW)

Lane Keeping Assist (LKA)

Lane Departure Warning (LDW)

High Beam Assist (HBA)

Driver Attention Warning (DAW)

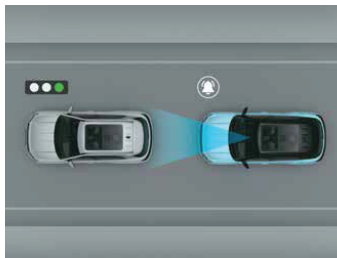

Safe Exit Warning (SEW)

Smart Cruise Control with Stop & Go (SCC with S&G)

Lane Following Assist (LFA)

Leading Vehicle Departure Alert (LVDA)

Rear Cross - Traffic Collision - Avoidance Assist (RCCA)  
& Rear Cross - Traffic Collision Warning (RCCW)

Surround view monitor (SVM)

Blind-spot view monitor (BVM)

Hyundai SmartSense, the Advanced Driver Assistance System is not a substitute for safe and attentive driving. Its effectiveness depends on various factors. Availability of Hyundai SmartSense features may differ by variants. Refer owners manual for more details.

6 airbags (standard)

# Wrap yourself in safety.

52 standard safety features

At Hyundai, your safety has always been our top priority. And Hyundai CRETA Electric is no different. With more than 75 advanced safety features, 6 airbags, all 4 disc brakes and many other useful features, this electric SUV gives you the confidence to take on journeys short and long, on the road and off it.

Rain sensing wipers

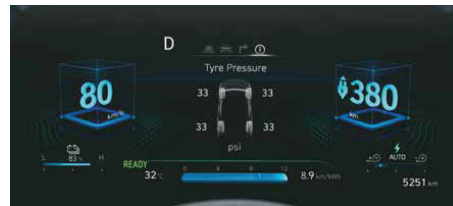

Electric parking brake with auto hold

Virtual engine sound system (VESS)

Hill-start assist control (HAC) & Hill descent control (HDC)

Tyre pressure monitoring system (TPMS) Highline

**Other features :** ECM IRVM | Autolight control | Driver anchor pretensioner (DAPT) | 3-Point seat belt & seat belt reminder for all seats

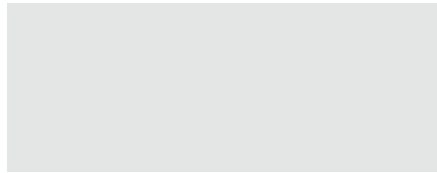

# Chase the rainbow. With colours of your own.
